Your rental fee is determined by a few factors including the number of guests in attendance, the day of the week, and season you choose. For example:

When booking a wedding for a Saturday (in-season), the minimum is \$12,000.00.

If you have 180 guests x \$70.00 pp = \$12,600.00 would be your rental.

In-season - May-October

Off-season - November-April

“ The guests had absolutely nothing but rave reviews for the whole affair. The food was really outstanding. Beef and chicken cooked as ordered, with tons of flavor and hors d’oeuvres were a hit. Really a great recommendation from you. ”

Frequently Asked

WE'VE NEVER PLANNED A WEDDING BEFORE! WHERE DO WE START?

A. We understand that wedding planning comes with a lot of questions - we're here to assist you every step of the way. As a result of our experience, we are able to recommend everything from a variety of suppliers, decor themes, invitation advice - you name it.

In addition, we ensure smooth communication between ourselves and the suppliers on your special day.

We provide you with planning forms which will address all the important details of your day. We also provide you with layouts of the Reception Hall and Winery Retail Hall so that you and your suppliers will have a clear picture of how your ceremony, and reception is to be set up. An initial meeting will take place during late fall-early winter of the year prior to your wedding, along with a menu tasting with Chef Don & a Wine Tasting at the winery.

You will always have a coordinator available by phone, email or in person meeting who will answer your questions and assist you with your plans!

HOW DIFFICULT IS PLANNING A WEDDING?

A. As easy as you want to make it! We can arrange as much or as little as you wish. By using our prearranged vendors & services you can cut down the amount of time spent researching.

IS THERE ONSITE PARKING?

A. Yes. There is ample parking onsite. If needed, a parking attendant will direct vehicles in the parking lot and guide overflow parking to the proper location

IS YOUR FACILITY WHEELCHAIR ACCESSIBLE?

A. Yes. There is a ramp access at the front of the Winery Retail Hall as well as one leading into the Reception Hall behind the main building. There is also a large washroom on the main floor of the Winery Retail Hall.

WHERE CAN OUR OUT OF TOWN GUESTS STAY?

A. There are numerous hotels and B&Bs in the area for your guests to stay at. Hotels are approximately 20 minutes from the winery, and there are plenty of B&Bs only a 5 min. drive away. Please provide a map to the winery in your invitation, which we can give you upon request. The Grove Motel is a retro boutique Motel only 10 Min Away!

WHAT HAPPENS IF IT RAINS DURING OUR CEREMONY?

A. In the unfortunate event of inclement weather, we recommend your ceremony to be hosted inside the Reception Hall. Your guests may sit at their tables, and the ceremony can take place in front of your head table with the beautiful vineyard as your backdrop.

For smaller weddings (under 150 guests) we can create aisles with chairs, having your guest tables pushed to the side. Cocktail hour would then be hosted in our retail space while we adjusted the Hall for dinner.
